◊ FARM SHOP ◊

Our philosophy is to bring to you locally produced products, either from our own farm or from local farms that we consider the best in quality & taste, that meet high welfare standards & traceability and that are fed traditionally to give that traditional taste.

We make fresh sausages, cure and smoke our own bacon, all from our own pedigree pigs that range free in the woodland next to the shop. Our beef, lamb and poultry are sourced from local farms.

Our farm shop kitchen prepares a daily selection of breads and our butchers are on hand to offer friendly advice and any help you require. We stock a wide range of food all produced locally, such as free-range eggs, local cheese, fresh fruit & veg, homemade cakes, jams, chutneys, honey and much more!

We have a charming little coffee shop at the farm where you can order lunch or just have a coffee and a chat. So why not pop in and take a look at everything we have to offer!
